Are You Being Scammed?

Beware of calls asking you to buy any gift card in large quantities, asking you to provide gift card numbers to help a family member in trouble, or even to pay your taxes.

If someone tells you to buy gift cards to make a payment, it's a scam!

Do not purchase gift cards if the back has been tampered with, and never give card information to someone you don't know, especially if contacted by phone.

Report it or ask for help!
